Access Control Made Easy!

\$550.00

- Powerful 2-door main controller.
- 8 additional doors can be added
- Features an RS-485 auto-detection communication bus eliminating the need for confusing jumper and dip-switch settings.

SUPER HINGE SYSTEM

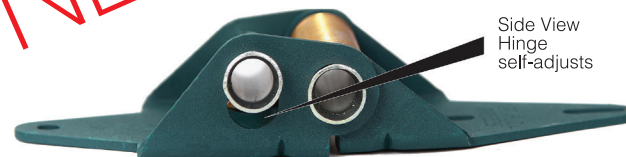

Save Money! Save Energy!

The **Green Hinge System** saves energy and money because it aligns the overhead door to seal properly. Unique **spring-loaded** hinge allows for self adjustment of the overhead door providing a **close, tight seal**. Having an overhead door that is aligned and sealed properly **saves money** on heating and / or cooling, which **saves energy**.

Stop the #1 Door Complaint - Door Rattle

Patented Spring-Loaded Technology Seals Doors Tight
